## BIOGRAPHY

With over three decades of experience as a working creative professional, Michael helps businesses understand how creativity delivers results. A two time TEDx speaker who writes a monthly column on creativity for the Mail and Guardian South Africa, he also regularly features on Radio 702 as well as other media outlets. The world's only certified Master of Creativity and Innovation Coaching, he is also trained in six other coaching disciplines and is an International Advisory Board Member of World Creativity and Innovation and an EXCO Member of the Creative Community of Practice of the BIC Foundation.

## WHAT CLIENTS ARE SAYING

"Michael is a great speaker! Even in a virtual room, I could hear the pennies dropping as the chat blew up with positive comments from across our organization."

**Reatile Tekatka,**  
*Former Head of Corporate Affairs, Multichoice*

"To see Michael in action on stage is an honor, and working with Michael backstage is a delight! On time, in tune with the audience, well prepared without sounding rehearsed, and practical. I'd book him again any day."

**Juanita Vorster, Convener, PSASA Annual Convention**

"Tap into Michael when you need breakthrough ideas in your business and life."

**Mike Handcock, President, Global Speakers Federation**
